A Welcome from the Race Director

We are delighted to welcome you back to the Manx Telecom Parish Walk having missed last year due to the Covid-19 pandemic. People are thoroughly fed up with all the lockdown restrictions and are chomping at the bit to get outside and enjoy the Manx countryside. We have a record entry for the "Parish" of 1856 some 37 more entries than ever before and without our usual off island participants. As always the challenge remains the same, finishers must cover 85 miles, visit 17 parish churches and return to Douglas Promenade before the 24 hour deadline. It is a true test of endurance and mental strength for those who finish the full course and with a bumper entry perhaps the record number of finishers, 215 in 2013 will be surpassed? However every walker can set their own target of one of the intermediate churches and all who achieve their target are winners in their own right.

2019 winner Liam Parker returns to defend his title and he wears the number 1 bib. However he will not have it all his own way as previous winners Richard Gerrard and Robbie Callister are also in the field with plenty of other fast previous finishers. The Ladies winner from 2019, Emma Shilling, is not entered this time so Bernie Johnson, a former winner of the ladies category, is the top seeded female walker. All previous full distance finishers are seeded 1 to 260. Look out for a walker at the front end of the race wearing a high number as he / she may be the best first time finisher and in line to win the Millennium Shield for the best local newcomer.

The Manx Harriers welcomes Manx Telecom as the main sponsor of the Parish Walk. They have shown tremendous support for the event since becoming the headline sponsor in 2012 having sponsored the electronic timing since 2007 and have shown their resolve to continue their support for the event by agreeing a new 3 year deal up to 2024. Having such steadfast sponsors allows us to continually improve the Parish Walk experience year on year.

We are proud to announce the introduction of the Nedgroup Investments Fanzone at Knockaloe Farm in Patrick. Here we are providing ample off road parking, a video screen with live streaming of walkers going through Glen Maye and checking in at Peel, food and drink vendors and childrens' inflatable attractions, courtesy of Victim Support IOM. Supporters will be able to check on walkers' progress via computer terminals and there will be extra timing stations at the Round Table and Glen Maye. There is a No Stopping Zone in force from Eary Cushlin to

the Raggatt so support vehicles should go directly to the Fanzone in Patrick. Courtesy of Nedgroup Investments there will be a free minibus shuttle service between the Fanzone and Albany Road in Peel so leaving your car on the field and avoiding the traffic in Peel is an option.

We are also introducing a new mobile phone app with all the information required to follow the event, downloadable via the QR Code available in the programme or URL <https://route.parishwalk.com/> Here you will be able to find the route, all check in points, feed stations, road restrictions and toilets etc, everything you need to plan your Parish Walk.

Colebourns are kindly supplying the plasma screens for relaying race information as it happens at the finish line on Saturday night and Sunday morning. Intersport and Up and Running have kindly helped with the prizes. Our feed station sponsors are Barclays Bank, 3FM, Zedra, Shoprite, Hospice, Mann Vend, Suntera, KPMG, IOM Creamery, Zurich, Canaccord, DQ Advocates, Thomas Miller, Cains, PWC, Simcocks, Up and Running, Poker Stars, Rushen Round Table, IQEQ, Applebys, Ocorian, The Isle of Man Bank, Canada Life and the IOM Business Network. Davisons Manx Dairy Ices will be at Peel and at the Fanzone, ELS Ltd will be providing professional event production for the presentation evening at the Villa Marina on June 22nd. Manx Radio and Energy FM will be providing up to date coverage of the race as it happens. Thank you to all of them.

We acknowledge the help that we receive from Tourism Events, the Domestic Event Fund, the Civil Defence, the Coast Guard, the Police, St John Ambulance and the Phil Hogg Ambulance.

I personally would like to thank the members of the organising committee, Liz Corran, Karen Kneale, Debbie Surgeon, Allan Callow, Martin Lambden, Winston Liu, Kevin Walmsley, Allan Bell, Jock Waddington, Adam Killip, Geoff and Rachel Quayle, John and Joan Ryder all of whom have selflessly given up so much of their time to make the Parish Walk what it is.

Finally a big thank you to all the officials, marshals, checkers-in and all those members of the public who come out every year to make the Parish Walk the unique experience that it is.

To all the competitors please read and observe the rules carefully and obey the marshals' instructions as they are there for your own safety.

Good luck and enjoy your **Parish Walk.**
Raymond Cox Race Director.

David Cretney's Parish Walk thoughts

The following article, which originally appeared in the Isle of Man Examiner newspaper, was written by long time Parish Walk fan and three times finisher, David Cretney. Here he gives us an insight into how and why he first entered the Parish Walk and his thoughts on the event as a whole.

Former President of Tynwald Noel Cringle is an enthusiastic supporter of this iconic event. Indeed he was a competitor in the first event in the modern era in 1960. Because of him, I was encouraged to line up alongside other Tynwald Members and since then it has become an important part of my life as a competitor or spectator. As a younger man, I enjoyed cross country and middle distance running and finished the London Marathon but the Parish Walk is the most special to me. 2020 was only the third occasion since 1960 that sadly the event could not be held. It seems like 2021 could be a bumper event with the organisation reporting at the end of March that entries were higher than they ever had been at that point. I think one of the few positive aspects of the pandemic has been that more people seem to be enjoying walking and running, socially distanced, around our lovely island. It seems to me the logical next step, and to perhaps support some charities, would be to celebrate the freedom that has been hard fought for and for even more people to have a go!

It is quite clear that I am not alone in this passion. Since the 1960 event won by Stan Cleator with 4 finishers including Jim Harvey in second position, two weeks short of his 16th birthday, thousands of others have taken on their own particular challenge and goal and many thousands of pounds has been raised for good causes as an inspiration to succeed. The statistics are outstanding and I recommend a visit to the official website www.parishwalk.com or for more in depth information try and obtain a copy of the history of the event by Dermot O'Toole published to mark the centenary in 2013.

For some people once is enough, indeed 234 people have started once and finished once. Many others have tried on a number of occasions to finish and once completed, that box is ticked. For others they are bitten by the atmosphere and ultimate challenge. David Collister has started the event 40 times. Derek Harrison held the record time for 27 Years at 15:20:21 broken by Sean Hands in the first sub 15 hour time of 14:47:36 in 2006,

which was incidentally the first year that I completed the 85 Miles in under 24 hours. Since 2006, Derek's time has been bettered on 15 occasions. Since 2003 there have been 38 sub 16 hour finishes by 18 competitors in total. 4 people have completed the distance in under 15 hours. The record male finishing time is held by Richard Gerrard from 2015 in 14:40:08 and female Karen Chiarello in 15:53:54.

Some people say I'm "only" going to Peel! Those who haven't worked it out already may be surprised to learn that the Parish Walk to Peel is over 32 miles. Or to put it into context, 6 miles more than a marathon! Rushen Church is 19 miles and after that you face the steep climb up Ballakillowey and the seemingly never ending slog up the Sloc. Once out of Peel, the fabulous views over the North West coast spur you on and when, after Kirk Michael, Ballaugh and Jurby with 45 miles under your belt, you have the long straight ahead of you to Bride. Maughold in the dark (I've only managed to get there once in half light) can be disorientating. There are few if any street lights and you are usually on your own by then and can hear the odd scurrying of wildlife around you!

Coming into Laxey and on to Onchan you start to feel quite emotional, thinking "I am actually going to complete the course", and this spurs you on to the promenade and the greatest feeling of achievement. There really is nothing else like it! In 2009 out of over 1300 starters I had one of my proudest moments when I finished 28th in 19:01:54. I had put in lots of training and was doing over 100 miles each week for the couple of months before I left off training for the event. I have got to Peel lots of times and finished 3 times. Before I first finished I got to Lezayre at over 61 miles and I was told "You will finish next year" and they were right! I've got a sore knee now with arthritis so will have to live off the memories!

There are many stories of courage, having the inner strength to fight through when your head is advising otherwise but there are also exceptional tales to tell. Such as Edward Kelly after a brain stem stroke just 3 weeks short of his 21st birthday raised many thousands of pounds for the Manx Stroke Association by walking a few years later to the second Church. Or the late Dru Hamm a lovely girl who was born with cerebral palsy and whose outcome was predicted that she

would never walk but her determination saw her take part in the event, walking to Santon. Or Army veteran Chris Moon who has only one arm and leg after a devastating injury in conflict who completed the course. Michael Gray the oldest finisher of the event, a 4 time finisher, one of only 35 starters in 1960 and also holder of the record of the longest time between finishes at 46 years! Or Bethany Clague who completed 2 consecutive laps back to back in less than 48 hours!

It is an event that requires equipment that has been tried and tested, not brand new. Particularly on a warm day but every time nutrition and taking on regular fluids, even when you may not feel like it. Training, those who turn up on the day without adequate preparation and do well are really the exception. But most of all, certainly for me it is mental agility and keeping yourself going even if it feels like it's been raining for hours or other things dwell on your mind. Focus on the next Parish and the next ...

There are many heroes so I apologise now for those not mentioned. To me, my ultimate competitor in this event is 6 time Winner John Cannell whose victories came between 1976 and 1994. Richard Gerrard and Robbie Callister on 5 wins each, Jock Waddington (all consecutive) and Derek Harrison with 4 titles each, Willie Corkill and Henry Harvey 3 each. Then the new generation with Liam Parker, the only athlete to win the Junior event to Peel (2011) to go on to win the full race in 2017 and 2019. Sue Biggart best female on 6 occasions including 5 consecutively.

How about those so near yet ... Charlie Weston was second 4 times and Ray Hughes 3rd on 5 occasions! In 1971 Graham Young took victory over Derek Harrison by 54 seconds! How about 2 brothers winning

the event? Murray Lambden in 1978 and Martin in 1988. This is what memories are made of.

Last but by no means least to the organisers and sponsors, so vital in every sporting event but in particular one of such magnitude.

The work for the next year commences very soon after the event. People like race secretary Liz Corran, in position since 1994. Ray Cox, Allan Callow, Winston Liu, Kevin Walmsley and hundreds of others without whom the event just could not happen including marshals, timekeepers and judges. Thank you all so much!

To the residents of the island who embrace this special event in so many ways. Individuals and businesses all the way around the 17 Parishes, food and drinks are laid on. Calls of encouragement to all the competitors whatever their goal may be. To medical and civil defence back up. Our Island at its very best!

On Saturday 19th June I will be supporting my younger Daughter Julie who came 3rd in the Junior event and went on at her first attempt to get to Jurby (45 miles) weeks before she contracted sepsis and was in intensive care for 2 weeks. I remain convinced that her training and fitness got her through this crisis.

See you on the start line?

Good Luck to all!

Stan Cleator

We recently heard the sad news of the passing of Stan Cleator. Stan is fondly remembered on the island for many things by lots of people but for us he remains iconic as being the first winner of the modern Parish Walk. In recognition of this victory, and other sporting endeavours, he was awarded Manx Sportsman of the Year in 1960 in a local poll.

The Parish Walk Committee express its sincere condolences to the family and friends of Stan.
