# A Welcome from the Race Director

Welcome to another edition of the Manx Telecom Parish Walk. Our entry is slightly smaller this year with 1296 hardy walkers coming to the line. As always the challenge remains the same, finishers must cover 85 miles, visit 17 parish churches and return to Douglas Promenade before the 24 hour deadline. It is a true test of endurance and mental strength for those who finish the full course, we had 192 finishers in 2021. However every walker can set their own target of one of the intermediary churches and all who achieve their target are winners in their own right.

Paul Atherton was a first time winner in 2021 and he returns to defend his title and wears the number 1 bib. However he will not have it all his own way as last year's runner up and previous winner Liam Parker comes to the line. Former champions Richard Gerard and Vinnie Lynch have also entered and there are plenty other multiple finishers in the field. We also have the defending Ladies champion from 2021 Samantha Bowden hoping for a second title. All previous full distance finishers are seeded 1 to 231. Look out for a walker at the front end of the race wearing a high number as he / she may be the best first time finisher and in line to win the Millennium Shield for the best local newcomer.

The Manx Harriers continues to enjoy the backing from Manx Telecom as the main sponsor of the Parish Walk. Manx Telecom, now in their 11th year as the headline sponsor, has shown tremendous support for the event and this has allowed us to continually improve the Parish Walk experience year on year.

We are having the Fanzone at Knockaloe Farm in Patrick again this time sponsored by Nedgroup Investments. Here we are providing ample off-road parking, toilets, a video screen with live streaming of walkers going through Glen Maye and checking in at Peel, food and drink vendors and childrens' inflatable attractions. Supporters will be able to follow their walkers' progress with extra timing stations at the Round Table and Glen Maye. There is a No Stopping Zone in force from Eary Cushlin to Ballaterson Farm on the outskirts of Peel so support vehicles should go directly to the Fanzone in Patrick to park. Courtesy of Nedgroup Investments there will be a free minibus shuttle service between the Fanzone and Derby Road in Peel so leaving your car on the field and avoiding the traffic in Peel is an option.

You will be able to find the route, all check-in points, feed stations, road restrictions and toilets etc, everything you need to plan your

Parish Walk on our mobile phone app. All the information required to follow the event is downloadable via the QR Code available in the programme or URL <https://route.parishwalk.com/>

IFGL is helping the event become more "green" as our Sustainability Partner and MannMade Group is providing a reusable Speed Cup to every competitor so that we may eliminate single use plastics. Colebourns kindly supplied plasma screens at registration for relaying information to entrants. Up and Running has kindly helped with the prizes. Our feed station sponsors are 3FM, Barclays Bank, Zedra, Simcocks, Hospice, Trident Trust, Shoprite, Manx Heart Foundation, Mann Vend, Suntera, KPMG, IOM Creamery, Zurich, Canaccord, PWC, Cains, Canada Life, Capital International, Up and Running, Stars Group, Rushen Round Table, IQEQ, Applebys, Thomas Miller, The Isle of Man Bank, DQ Advocates, CADS, IOM Business Network and Ramsey Crookall. Event Management Solutions Ltd is setting up the Fanzone and ELS Ltd will be providing professional event production for the presentation evening at the Garden Room, The Nunnery on June 21st. Energy FM is our Media Partner and Manx Radio will be providing up to date coverage of the race as it happens. Thank you to all of them.

We acknowledge the help that we receive from Tourism Events, the Civil Defence, the Coast Guard, the Police, St John Ambulance and the Phil Hogg Ambulance.

I personally would like to thank the members of the organising committee, Liz Corran, Karen Kneale, Debbie Surgeon, Allan Callow, Martin Lambden, Winston Liu, Kevin Walmsley, Allan Bell, Jock Waddington, Adam Killip, Geoff and Rachel Quayle, Louise Hollings, John and Joan Ryder all of whom have selflessly given up so much of their time to make the Parish Walk what it is.

Finally a big thank you to all the officials, marshals, checkers-in and all those members of the public who come out every year to make the Parish Walk the unique experience that it is.

To all the competitors please read and observe the rules carefully and obey the marshals' instructions as they are there for your own safety.

Good luck and enjoy your **Parish Walk.**  
**Raymond Cox Race Director.**

# Feeding Frenzy

In 2022 the Parish Walk will have no fewer than 30 official feeding stations, a record number in the event's history (please turn to the map on pages 24 and 25 for details of this year's locations). This is due in no small part to a spike in the number of local businesses showing an interest in the Parish Walk in recent years and signing up to be an official feeding station, as well as ever-increasing numbers of generous local residents setting up tables of food and drink outside their properties.

When the 'modern' Parish Walk was first held in 1960, records show that supplies were available for the competitors, albeit not to the same extent as they are today. As Dermot O'Toole explains in his excellent book 'A Walk Through Time', "drinks and food" were available at Santon. The corner shop at Patrick was open for food and drink too, which is impressive considering that most walkers got there in the early hours of the morning given that the event started in Douglas at 7pm the previous evening.

Looking back even further at the event's history, the first walking contest which is at least broadly comparable to the event as we know it today took place over a century ago in 1913 and was known as the 'Parish Walking Match'. Only 12 walkers took part and the event started at 10pm, which of course meant walking through the southern and western parts of the Island in the dead of night, and arriving in the north in the middle of the following day. Dermot's book includes some quite amusing details of the eating and drinking strategies of some of the competitors, including the following:

"[Harry] Bridson arrived at the Public Office [in Ramsey] at 12.13 and promptly retired into the Central Hotel for refreshment. He was out again 9 minutes later and proceeded along Parliament Street... he [then] had a cup of tea with Canon Quine and Mrs Quine at Lonan."

"Garrett failed to arrive in Ramsey... he had relatives in Ballure and it transpired that he had called on them for his mid-day meal..."

"Refreshments of milk and beef tea were readily available from cottage doors."

Full marks to any competitors who pack milk and beef tea in their car this year!

2022 is another milestone year for the official feeding stations, because new for this year are 'speed cups' sponsored by MannMade Group. These rubber/plastic cups will be given out at check-in (one per walker) and are foldable, squishy cups designed to help reduce the number of plastic bottles used, as well as the event's carbon footprint. You can carry your speed cup with you and refill it from jugs which will be available at the feeding stations.

So, whether you're a fan of the bacon baps at the Braaid, the Orrisdale Road sausages or the Maughold burgers (first time-entrants are in for a treat with all of these) or you just want some water and bananas, the Parish Walk has you covered, with a feed station located every 1.3 miles on average between the start and Peel.
