A Welcome from the Race Director

Welcome to the 2025 Manx Telecom Parish Walk. We are very pleased with this year's entry of 1,279. The challenge remains the same, finishers must cover 85 miles, visit 17 parish churches and return to Douglas Promenade before the 24-hour deadline. It is a true test of endurance and mental strength for those who finish the full course, we had 128 finishers in 2024. However, every walker can set their own target of one of the intermediary churches and all who achieve their target are winners in their own right.

We have both the Men's and Ladies defending champions returning this year. Dean Morgan is wearing the coveted number one bib as top seed and hoping to make it three in a row of victories. Lorna Gleave is hoping for another win and she wears number 8. All previous full distance finishers are seeded 1 to 219. Look out for a walker at the front end of the race wearing a high number as he / she may be the best first-time finisher and in line to win the Millennium Shield for the best local newcomer.

The Manx Harriers continues to enjoy the backing from Manx Telecom as the main sponsor of the Parish Walk. Manx Telecom, now in their 14th year as the headline sponsor, has shown tremendous support for the event and this has allowed us to continually improve the Parish Walk experience year on year. We are grateful for their steadfast support that will continue until 2027.

You will be able to find the route, all check-in points, feed stations, road restrictions and toilets etc, everything you need to plan your Parish Walk on our mobile phone app. All the information required to follow the event is downloadable via the QR Code available in the programme or URL <https://route.parishwalk.com/>

IFGL continues to be our Sustainability Partner and is providing the free shuttle bus service from Douglas to Peel. MannMade Group is providing a reusable Speed Cup to every competitor so that we may eliminate single use plastics. We will soon have a 1000 new trees planted by the IOM WoodLand Trust under our "Trees for T" scheme.

Colebourns kindly supplied plasma screens at registration for relaying information to entrants. Up and Running has kindly helped with the prizes. Our feed station sponsors are 3FM, Barclays Bank, IFGL, Zedra, Simcocks, Hospice, Utmost, Trident Trust, Canada Life, Manx Heart Foundation, Isle Stand up to Suicide, Suntera, KPMG, IOM Creamery, Zurich, Canaccord, PwC, Cains, Prime Performance, Capital International, Up and Running, FIM Capital, Rushen Round Table, IQEQ, Fortunate Media, Applebys, Affinity, Nedgoup Investments, The Isle of Man Bank, MannBenham, CADS, and Hard Rock Digital. Ellan Vannin Events is setting up the finish and ELS Ltd will be providing professional event production at the start and for the presentation evening at the Villa Marina. Energy FM is our Media Partner and will be providing outside broadcasts. Thank you to all of them.

We acknowledge the help that we receive from Tourism Events, the Civil Defence, the Coast Guard, the Police, St John Ambulance, the Phil Hogg Ambulance, the Vicars and Church Wardens, Markspics, Royal Manx Agricultural Society and The N.S.C.

I personally would like to thank the members of the organising committee, Liz Corran, Karen Kneale, Debbie Surgeon, Allan Callow, Martin Lambden, Winston Liu, Kevin and William Walmsley, Allan Bell, Jock Waddington, Adam Killip, Geoff and Rachel Quayle, Louise Hollings and Leanne Venables all of whom have selflessly given up so much of their time to make the Parish Walk what it is.

Finally, a big thank you to all the officials, marshals, checkers-in and all those members of the public who come out every year to make the Parish Walk the unique experience that it is.

To all the competitors please read and observe the rules carefully and obey the marshals' instructions as they are there for your own safety.

Good luck and enjoy your Parish Walk.

Raymond Cox Race Director.

Sustainability and the Manx Telecom Parish Walk

In recent years the organisers of the Manx Telecom Parish Walk made a conscious decision to look at our carbon footprint and the environmental impact of the event.

Inevitably there is a negative impact on the environment caused by the walkers and more importantly their support crews and spectators. Therefore, in conjunction with our Sustainability Partner IFGL we are looking at ways to reduce this negative impact.

To offset this carbon footprint, we have again joined up with IOM Woodland Trust in our "Trees for T" initiative. If entrants opted not to have a sports-shirt then

we donated £6 to the Trust, this amounted to 190 trees this year. This brings the total number since the start of the initiative in 2022 to 887 trees growing on our beautiful island for decades to come courtesy of the Parish Walk.

Every year we used to have tons of partly filled water bottles to dispose of. These single use plastics are most damaging to the environment so in 2022 we instigated a three-year programme to eliminate these types of plastics. Thanks to MannMade Group every walker will be given a Speed Cup at the start of the race to carry with them on their Parish Walk journey. These cups are lightweight, compressible and reusable and do away with the need for single use plastic bottles. Walkers who already have a speed cup from prior years are encouraged to bring this with them to reuse this year and reduce our carbon footprint even more.

To reduce traffic, there will be a free shuttle bus operating on 21st June between Douglas and Peel every 20 minutes between 3.30pm and 6.30pm courtesy of IFGL. Supporters can

get to Peel to see their family and friends' finish; competitors finishing in Peel can use the shuttle bus to return to Douglas.

It is so vital that walkers, supporters and spectators do not leave any litter in our beautiful Manx countryside. Take your rubbish home with you if possible but otherwise use the colour coded bins provided by IFGL so that we may recycle as much of the rubbish as possible:

- **Red / Purple** Bins are for Compostable waste such as fruit and Vegware cups.
- **Green** Bins are for Recyclable material such as plastic bottles and paper.
- **Black** Bins are for General waste.

Supporters and spectators should think of ways to reduce their carbon footprint also.

- Think about using an electric car on race day or consider sharing a car if your walker is going as far as Ballaugh. Traffic management and advice is available on our 'app': go to route.parishwalk.com
- Plan to meet your walker along the course rather than driving the route.
- Take all your rubbish home with you.
- Bear in mind that noise pollution is a significant factor at night-time so please be quiet in built up areas.

Together we can make the Parish Walk more environmentally friendly and sustainable for the future.

**PLEASE USE THE BINS AROUND
THE ROUTE OR TAKE YOUR
LITTER HOME WITH YOU**

2025: A year of anniversaries... and possible records?

For this year's programme feature we take a look at some significant Parish Walk anniversaries that are taking place in 2025.

65 years since the 'relaunch'

2025 marks the 65th anniversary of the Parish Walk as we know it today. In that time, the event has seen 32 different overall winners and there have been a total of 3,683 finishes by 1,673 different competitors. More importantly though, 'the Parish' has captured the Island's imagination like virtually no other event, and is eagerly anticipated by thousands of walkers, supporters, marshals and helpers each year.

45 years since the entry exceeded 100

1980 was the first time that the number of people entering the Parish Walk exceeded 100 (there were 110 entries in total – 31 ladies and 79 men), which at the time was hugely significant. The event really exploded in popularity from about 1997 onwards (410 entries) to 2013 (just over 1,500) and since then has consistently attracted between 1,200 and 1,400 competitors.

25 years since Peter's first win

The year 2000 saw the first of two victories for Union Mills man Peter Kaneen, with his second being in 2003. These days Peter focuses his attention on producing some very fine real ales!

17 years since 'the wet one'

2008 was probably the wettest Parish Walk in most people's memory, with rain falling from about 9am and continuing well into the night. It remains the second-wettest June day since records began in 1947. Incredibly, 121 of the 1,312 walkers made it to the finish.

15 years since Jock's hat-trick

In 2010, Jock Waddington (now a committee member and the Parish Walk's webmaster) became only the second person after 6-time winner John Cannell to win the Parish walk three years in a row, but Jock also claimed victory in 2011 and thus became the only walker to win the event 4 times in succession.

10 years since Richard's course record

It is now 10 years since 5-time winner Richard Gerrard set the absolute course record of 14 hours 40 minutes and 8 seconds, improving by just under 2½ minutes on the previous record of 14:42:32 that he set jointly with Vinny Lynch in 2012. Since Richard's incredible achievement, nobody has managed to dip under 15 hours, let alone get close to his record – but will we see things change this year?

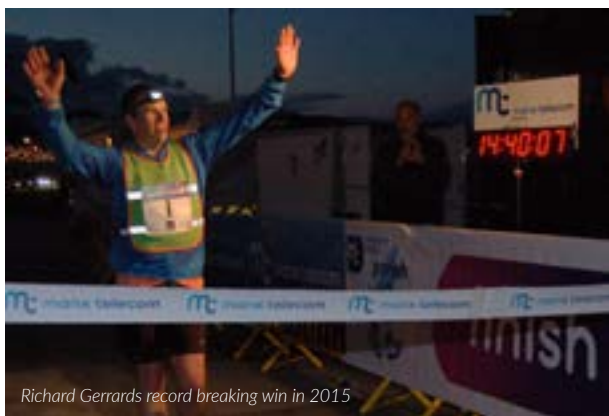

Andrew and Chris' remarkable runs

If he finishes this year's event, Parish Walk legend Andrew Titley can move into outright second place in the overall list of all-time finishes. Since his debut in 2001, Andrew has finished the Parish on 22 occasions, only missing 2011 due to race commitments overseas (there was no race in 2020). Currently tied with Andrew on 22 finishes are two other Parish greats, Anthony Kneale and 'Rambling' Ray Hughes. Only the inimitable David Collister, with 31 finishes, has more.

Chris Cale has finished the Parish every year that the race has been held since 2003, putting him on 21 finishes overall. You certainly would not bet against him making it all the way round again this year.

What about you?

Most importantly of all - what will the 2025 event bring for you? Whatever your aspirations and goals, enjoy your day and see you on the start line!
