

Manx Telecom Parish Walk 2026

Saturday 20th & Sunday 21st June

Get the most out of your Manx Telecom Parish Walk!

How to view your shots from the big day

Throughout the course of the 2026 Parish Walk, a team of official volunteer photographers will be taking pictures of you around the course. Your personal images will be identified using bib number detection, and also via facial recognition.

Head to manxtelecom.com/photohawk to find your photos. Simply enter your bib number or upload a photo to assist with facial recognition. This will save having to scroll through photos trying to spot yourself!

Once the event is complete and photos have been uploaded, you will be able to view the photos you feature in through the above link. If you do not wish to sign up to the Photohawk service, you will still be able to view all images at manxtelecom.com/parishwalk.

Share your updates to social media before, during and after the event using #MTPW26

Document your Parish Walk experience using the hashtag [#MTPW26](https://www.instagram.com/explore/tags/MTPW26) when you're sharing updates, images and videos.

A Welcome from the Race Director

Welcome to the 2026 Manx Telecom Parish Walk. The entries have stood up well this year with 1268 walkers. The challenge remains the same, finishers must cover 85 miles, visit 17 parish churches and return to Douglas Promenade before the 24-hour deadline. It is a true test of endurance and mental strength for those who finish the full course, we had 106 finishers in 2025. However, every walker can set their own target of one of the intermediary churches and all who achieve their target are winners in their own right.

We have both the Men's and Ladies defending champions returning this year. Callum Gawne is wearing the coveted number one bib as top seed and hoping to make it two in a row of victories. Samantha Bowden is hoping for another win and she wears number 4. All previous full distance finishers are seeded 1 to 195. Look out for a walker at the front end of the race wearing a high number as he/she may be the best first-time finisher and in line to win the Millennium Shield for the best local newcomer. Also keep an eye on number 266, Vincent De Bontin who is the French 100K Walk champion.

The Manx Harriers continues to enjoy the backing from Manx Telecom as the main sponsor of the Parish Walk. Manx Telecom, now in their 15th year as the headline sponsor, has shown tremendous support for the event and this has allowed us to continually improve the Parish Walk experience year on year. We are grateful for their steadfast support that will continue until 2027.

You will be able to find the route, all check-in points, feed stations, road restrictions and toilets etc, everything you need to plan your Parish Walk on our mobile phone app. All the information required to follow the event is downloadable via the QR Code available in the programme or URL <https://route.parishwalk.com/>

IFGL continues to be our Sustainability Partner and is providing the free shuttle bus service from Douglas to Peel. We now have over 1000 new trees planted by the IOM WoodLand Trust under our "Trees for T" scheme. Colebourns kindly supplied plasma screens

at registration for relaying information to entrants. Up and Running has kindly helped with the prizes. Our feed station sponsors are Cruse Bereavement, The Claremont Hotel, 3FM, Barclays Bank, IFGL, Zedra, Simcocks, Hospice, Utmost, Trident Trust, Canada Life, Manx Heart Foundation, Isle Stand up to Suicide, Suntera, KPMG, IOM Creamery, Zurich, Canaccord, PwC Isle of Man, RamseyCrookall, Flutter International, Capital International, Up and Running, FIM Capital, Rushen Round Table, IQEQ, Grant Thornton, Applebys, Affinity, Nedgoup Investments, The Isle of Man Bank, Baker Tilly, CADS, and Hard Rock Digital. Volunteers from The Samaritans are marshalling at the Oatlands Crossroads. Ellan Vannin Events is setting up the finish and ELS Ltd will be providing professional event production at the start and for the presentation evening at the Villa Marina. Energy FM is our Media Partner and will be providing outside broadcasts. Thank you to all of them.

We acknowledge the help that we receive from Tourism Events, the Civil Defence, the Coast Guard, the Police and the St John Ambulance.

I personally would like to thank the members of the organising committee, Liz Corran, Karen Kneale, Debbie Surgeon, Allan Callow, Martin Lambden, Winston Liu, Kevin and William Walmsley, Allan Bell, Jock Waddington, Adam Killip, Geoff and Rachel Quayle, Louise Hollings and Leanne Venables all of whom have selflessly given up so much of their time to make the Parish Walk what it is.

Finally, a big thank you to all the officials, marshals, checkers-in and all those members of the public who come out every year to make the Parish Walk the unique experience that it is.

To all the competitors please read and observe the rules carefully and obey the marshals' instructions as they are there for your own safety.

Good luck and enjoy your Parish Walk.

Raymond Cox, Race Director.

Sustainability and the Manx Telecom Parish Walk

In recent years the organisers of the Manx Telecom Parish Walk made a conscious decision to look at our carbon footprint and the environmental impact of the event.

Inevitably there is a negative impact on the environment caused by the walkers and more importantly their support crews and spectators. Therefore, in conjunction with our Sustainability Partner IFGL we are looking at ways to reduce this negative impact.

To offset this carbon footprint, we have again joined up with IOM Woodland Trust in our “Trees for T” initiative. If entrants opted not to have a sports-shirt then we donated £6 to the Trust, this amounted to 159 trees this year. This brings the total number since the start of the initiative in 2022 to 1,046 trees growing on our beautiful island for decades to come courtesy of the Parish Walk.

To reduce traffic, there will be a free shuttle bus operating on 20th June between Douglas and Peel every 20 minutes between 3.30pm and 6.30pm courtesy of IFGL. Supporters can get to Peel to see their family and friends’ finish; competitors finishing in Peel can use the shuttle bus to return to Douglas.

To reduce our waste and the use of single use plastics, we continue to encourage you to reuse the Speed Cups provided in previous years. Some will be available at the start of the race for those who don’t already have one. Alternatively, please carry your own reusable water bottle which can be refilled at any one of the many feed stations along the way.

It is so vital that walkers, supporters and spectators do not leave any litter in our

beautiful Manx countryside. Take your rubbish home with you if possible but otherwise use the colour coded bins provided by IFGL so that we may recycle as much of the rubbish as possible:

- **Red / Purple** Bins are for Compostable waste such as fruit and Vegware cups.

- **Green** Bins are for Recyclable material such as plastic bottles and paper.

- **Black** Bins are for General waste.

Supporters and spectators should think of ways to reduce their carbon footprint also.

- Think about using an electric car on race day or consider sharing a car if your walker is going as far as Ballaugh. Traffic management and advice is available on our ‘app’: go to route.parishwalk.com
- Plan to meet your walker along the course rather than driving the route.
- Take all your rubbish home with you.
- Bear in mind that noise pollution is a significant factor at night-time so please be quiet in built up areas.

Together we can make the Parish Walk more environmentally friendly and sustainable for the future.

PLEASE USE THE BINS AROUND THE ROUTE OR TAKE YOUR LITTER HOME WITH YOU

Vampires, Vikings and the Battle of Trafalgar

– some connections with parish churches

Each of the Island's 17 parish churches has a unique and diverse history, but when Parish Walk day comes around, taking a closer look into the past isn't really an option when you are trying to concentrate on breaking that timing beam and turning your thoughts to the next parish!

That said, this page might give you (or perhaps your support crew) a welcome distraction from putting one foot in front of the other. Here are a few 'fun facts' from some of the churches that you will be walking past on 20th and 21st June:

- The churchyard at Old Kirk Braddan contains the grave of Colonel Mark Wilkes of Kirby House, who (as Governor of St. Helena) was responsible for overseeing Napoleon's imprisonment during the early part of the 19th Century.
- Welsh architect John Welch designed many significant buildings on the Isle of Man in the 19th Century, including the Tower of Refuge, and was responsible for designing 4 parish churches which were all completed in a 3-year period in the 1830s: St. Mary de Ballaugh (1832); St. Peter's Onchan (1833); Kirk Christ Lezayre (1835) and Kirk Michael (also 1835).
- The 'Vampire's Grave' in Malew churchyard is almost certainly a product of myth rather than fact... but who knows? Legend has it that the inhabitant of the grave, Matthew Hassal, was a vampire and that upon his death, the undertakers were forbidden (or should that be forbidden?!) from taking his body onto consecrated ground, so it was lowered into the grave from behind the church wall, covered with a huge stone slab, staked with iron in each corner and then chained to stop the 'vampire' escaping!
- Laid to rest at Arbory churchyard is one of the most significant figures in Manx history, Captain John Quilliam. He served as First Lieutenant onboard HMS Victory at the Battle of Trafalgar, having been personally appointed by Lord Nelson.
- Two historically significant Viking stone crosses were discovered in a collapsed wall at Jurby church following a storm in 2022. One contains a concave design unique amongst all of the crosses ever discovered on the Island.
- Lezayre church is believed to be the only parish church with Manx language inscriptions on its interior walls.

So, if you fancy a gentle recovery stroll to get those legs moving again once the Parish Walk is over, why not take a trip out and see if you can discover some of this history for yourself?
