parish walk 2018

saturday 23rd & sunday 24th june

four ways to make the most of your parish walk experience!

1 send your photos to Facebook!

During the course of the **2018 Parish Walk**, a team of official volunteer photographers will be taking pictures of you around the course. Your personal images will be identified using unique **Pic2Go** barcodes on your walk number and will then be uploaded using the **Manx Telecom** 4G mobile broadband network during the race to a personalised individual Facebook album.

To receive your Parish Walk images on the day please register your race number online at manxtelecom.com/parishphotos

When you sign up you will need to log into your Facebook account and give the **Pic2Go App** permission to post your images using your race number. You will also be asked to confirm the privacy setting you want on the album as part of this process.

2 find yourself after the event

After the event or if you aren't on Facebook, you will also have the opportunity to search by race number and purchase copies of your favourite photos from isleofman.in with profits going to charity.

3 snapchat geofilters

During key parts of the day, you will be able to share your **Parish Walk** experience using Snapchat geofilters. Competitors and spectators will be able to add filters to their photos at five points on the course at these times and locations:

- | | | |

A Welcome from the Race Director

Welcome to the 2018 Manx Telecom Parish Walk. The challenge as always remains the same, finishers must cover 85 miles, visit 17 parish churches and return to Douglas Promenade before the 24 hour deadline. It is a true test of endurance and mental strength for those who finish the full course of which there were 127 last year. However every walker can set their own target of one of the intermediary churches and all who achieve their goal are winners in their own right. This year we have a fantastic entry of 1551 which is testimony to the unique challenge that the Parish Walk offers.

In 2017 we saw a new name go on the winner's trophy with Liam Parker coming out on top in a time of 15 hours, 36 minutes and 59 seconds. Liam has been given the number one vest as he returns to start line to defend his title. Karen Chiarello carried on her sequence of wins in the Ladies' race coming home in a time of 15 hours, 53 minutes and 44 seconds which was good enough for second place overall. More ladies than men enter the race and it could happen that Karen will be the first female winner of the Parish Walk. She is seeded number 2 and all previous full distance finishers are seeded 1 to 235. Look out for a walker at the front end of the race wearing a high number as he / she may be the best first time finisher and in line to win the Millennium Shield for the best local newcomer.

The Manx Harriers welcomes Manx Telecom as the main sponsor of the Parish Walk. This continued support for the event has allowed us to develop the race into the largest participation event on the island. We are constantly looking to improve the experience for all the walkers and this year we are delighted to announce that Manx Timing Solutions Ltd has been appointed as the entry portal, timing and results provider.

We have a new look website this year and thanks to Jock Waddington and 3 Legs Ltd for this. We will be providing text messages to support crews and Pic2Go will send

photos of walkers to their facebook page. The entire race may be followed via the internet on your mobile phone, laptop or PC on www.mt.im/parishwalk with live updates of the positions of the leaders.

Colebourns are kindly supplying the plasma screens for relaying race information as it happens at the finish line on Saturday night. Intersport have kindly helped with the prizes again this year. Our feed station sponsors are Barclays Bank, 3FM, Shoprite, Hospice, Mann Vend, SMP, KPMG, Zurich, DQ Advocates, Thomas Miller, Paragon, PWC, Hamblin, Up and Running, Poker Stars, Rushen Round Table, First Names, Applebys, Estera, Arthritis Care, The Isle of Man Bank and the IOM Business Network. ELS Ltd will be providing professional event production for the presentation evening at the Villa Marina on June 26th. Manx Radio will be providing up to date coverage of the race as it happens. Thank you to all of them.

We acknowledge the help that we receive from the Tourism Events, the Civil Defence, the Coast Guard, the Police and St John Ambulance.

I personally would like to thank the members of the organising committee, Liz Corran, Karen Kneale, Debbie Surgeon, Allan Callow, Martin Lambden, Winston Liu, Geoff and Kevin Walmsley, Allan Bell, Jock Waddington, Adam Killip, Geoff and Rachel Quayle, John and Joan Ryder all of whom have selflessly given up so much of their time over the past 12 months.

Finally a big thank you to all the officials, marshals, checkers-in and all those members of the public who come out every year to make the Parish Walk the unique experience that it is.

To all the competitors please read and observe the rules carefully and obey the marshals' instructions as they are there for your own safety.

Good luck and enjoy your Parish Walk.
Raymond Cox Race Director.

The Lambden connection

2018 will see the Lambden family out in force. It is a year of anniversaries and firsts, but the story really begins in 1967, the year that Martin first represented Kirk Michael and Ballaugh Youth Club in the Board of Education organised Parish Relay.

Split into 6 legs of around 14 miles, this event was promoted to encourage both exercise and team spirit, but at a time when safety was pretty low on the list of priorities, was cancelled after a tragic fatal accident, before Murray could fulfil his dream of participation.

In 1976 three Lambdens were on the start line for the proper event. Mother, Gwelda walked to Malew, Martin to Kirk Michael, while Murray completed the race aged 19!! Father Bill was somewhat stretched trying to look after all three in the early stages, even though the ladies had started 30 minutes before the main field. Murray was to claim his win in 1978, before retiring in 79, and then concentrating on shorter distances and representing both The Isle of Man and Great Britain at International level.

It was to be 1987 before Martin reappeared on the start line, retiring at Lezayre that year before claiming his only finish, in First place in 1988, so achieving a family double. However, since the mid eighties the brothers had been assisting race Secretary Arthur Jones in the running of the event, and Murray had been the

driving force behind the expansion and modernisation plans that gave us the success that was to follow. When asked by Liz Corran how long he had been on the committee, Martin replied that there was no such thing when he first got involved.

In 2008 Martin's daughter Kim became the 3rd generation to compete, and her

son Iliam is entered to walk this year. At least one other family has matched the 3, but will be this be another first?

Also entered is the 3rd of the 4 M's, Margaid, whilst older brother Mike will be assisting with photography. Missing from the coverage side this year will be Ben, another entrant. The family lineup also includes Margaid's husband Alan, Kim's husband Peter and Mike's son-in-law David

Murray's enormous contribution to this event is well documented, but the family hope to pay tribute in a fitting way, by walking! No winner is expected but hopefully he would be proud of them all for competing.
